2004 CATEGORICAL SEMINARS AND TECHNOLOGIST SECTION SPECIAL SESSIONS MATRIX

SATURDAY, JUNE 19, 2004

PHYSICIAN/SCIENTIST CATEGORICALS

10:00am-6:00pm (Room 104 A/B)	**CAT 1: Radiopharmaceutical Preparations - What You Really Need to Know** *Organized by the Society of Nuclear Medicine Radiopharmaceutical Science Council*
10:00am-4:20pm (Room 107 A/B)	**CAT 2: Brain Imaging: Parkinson's Disease** *Organized by the Society of Nuclear Medicine Brain Imaging Council*
10:00am-5:15pm (Room 113 B/C)	**CAT 3: Nuclear Oncology: Scientific Innovations and Potential for Enhancing Patient Outcome** *Organized by the Society of Nuclear Medicine Nuclear Oncology Diagnosis & Therapy Council*
10:00am-12:25pm (114 Auditorium)	**CAT 4: PET/CT: State of the Art - Controversies, Correlative Imaging and Clinical Applications** *Organized by the Society of Nuclear Medicine Correlative Imaging Council and PET Center of Excellence.*
1:30pm-4:10pm (114 Auditorium)	**CAT 4: Clinical Breakout Session: Clinical PET/CT Imaging** *Organized by the Society of Nuclear Medicine PET Center of Excellence*
1:30pm-4:30pm (Room 111 A/B)	**CAT 4: Correlative Imaging Breakout Session: Emerging Role of PET and PET/CT for Optimum Patient Care** *Organized by the Society of Nuclear Medicine Correlative Imaging Council*
10:00am-4:00pm (Room 109 A/B)	**CAT 5: Modeling Cardiac Imaging: Building Science into Clinical Applications** *Organized by the Society of Nuclear Medicine Computer & Instrumentation Council*
10:00am-4:10pm (Room 113 A/B)	**CAT 6: Advances in Nuclear Cardiology** *Organized by the Society of Nuclear Medicine Cardiovascular Council*
10:00am-4:00pm (Room 106 A/B)	**CAT 7: PET in Pediatrics - Specifications and Applications** *Organized By the Society of Nuclear Medicine Pediatric Imaging Council*

TECHNOLOGIST CATEGORICALS

***All Technologist Categorial Seminars have been organized by the Society of Nuclear Medicine Technologist Section**

10:00am-6:00pm (Room 201 A)	**TSCAT 8: PET/CT Applications in Oncology**
10:00am-5:15pm (Room 201 B)	**TSCAT 9: Radioimmunotherapy and non-Hodgkin's Lymphoma**
10:00am-5:45pm (Room 201 C)	**TSCAT 10: Nuclear Cardiology 2004: Updates for the Practicing Technologist**
10:00am-5:30pm (Room 108 A/B)	**TSCAT 11: Nuclear Medicine Reimbursement: 2004 and Beyond**
10:00am-5:15pm (Room 204 B)	**TSCAT 12: Clinical Instructor Training**

TECHNOLOGIST SPECIAL SESSIONS

8:00am-5:30pm (Room 203 A/B)	**CT Workshop: Radiology Based Training for the Nuclear Medicine Technologist**
10:00am-2:00pm (Room 202 A)	**Emerging Leaders Seminar**
12:00pm-6:00pm (Room 202 B)	**Certification Exam Review**

***The Auditorium and Room 108 A/B use interactive "Read With the Experts" technology. Audience members may respond to speaker questions by submitting their answers via a keypad.**
